## Methodist Church Work Is Rushed

The work of completing the south wing of the new educational building of the Pahokey First Methodist Church is being speeded up in order that the space will be available for use by the Vacation Bible School when it opens Monday, Aug. 8, according to Mrs. Lloyd Hundley, director.

The school, for children from 4 to 11 years, will contain three departments. It will open with the registration of pupils at 8 a. m., Aug. 8, and will continue through Aug. 17.

Assisting Mrs. Hundley will be Mrs. L. L. Shirley, kindergarten department superintendent; Mrs. W. O. Moss, assistant; Mrs. Arch Blakey, primary department superintendent; Mrs. Hugo Boe, Mrs. Robert C. Hutton and Mrs. Dorsey Pugh, assistants; Mrs. Loren O'Neal, junior department superintendent; Miss Corrine Collins and Miss Annette McIntosh, assistants; serve as secretary of the school.

Miss Phoebe Anne Ramey will Miss Ann Rita Burns, pianist; Mrs. serve as secretary of the school. Mendal Luce, supplies chairman; Mrs. H. J. Anderson, refreshments chairman; Mrs. C. A. Canipe, films chairman, and Mrs. Robert J. Schroder, publicity chairman.

## Horace Scruggs Wins Talent Scout Show

Horace Scruggs was unanimously acclaimed the top spot winner in Malcolm Millar's Talent Scout Show, Tuesday, July, 26. His "Ballin' The Jack" number and girations just about stopped the show. This young man is clever.

A diminutive little lady, Glenda Crews, sang a heart-warming hymn, "Gathering Flowers For The Masters' Boughs." Her sweet, mellow and rounded voice, together with the fact that she exhibited real showmanship in the presentation, won her second place. Bud Carter took third place with better than average playing on the harmonica. His "Kentucky Waltz" was a fine rendition and the writers compliments to him for a well done job.

Jo Jo Young, in a red, white and blue costume came up with a novelty tap dance. Her taps, we thought, were excellent. Her stage presence was really lovely and we expect to see a great improvement in her this coming year.

Bonny Lou and Dotty Lair opened with "Ain't Going To Grieve no More, My Lord" and received a pleasing round of applause. Their second number which was their best, "There's No Business Like Show Business," came within a hair of winning the third place.

The Everglades Ramblers from Belle Glade opened the show and came away with healthy applause. Carolyn Chambers and Joann Berryhill, also from Belle Glade, presented singing numbers that were well received by the crowd.

While the Florida citrus industry is trying to open up British markets for canned grapefruit sections, several thousand chain stores over the nation are cooperating right now with growers in promoting the sale of the product.

## PHS Year Book Is Complete, Delivered

The 1955 edition of "Devils Trail", Pahokey High School year book, was distributed to the 200 subscribers during the past week.

This year's PHS annual has "South of the Border" as its theme and is dedicated to Robert (Bob) Shaw and Marvin Thompson, members of the PHS faculty.

The annual's staff of 24 was headed by Joyce Lynn Hurt, editor-in-chief, and John Williams, assistant editor. The art work was done by Betty Harrison and Sadie Clifton. The photographic work was under the direction of Bill Bosworth, assisted by Phoebe Anne Ramey, snapshot editor. Paragon Press did the printing.

There are still a few copies of the annual available for sale at the PHS office at \$3 a copy.

## Renter Would Build Two New Hangers At Lantana Airport

The rapid strides which commercial aviation has been making in late years is pushing Palm Beach County's airport facilities.

That's what the county commission heard this week from Western Airlines, who operates a flying service from Lantana Airport and who wants to construct two additional hangers at the field to take care of its increasing business.

Jackson said at the present time he is operating from the two hangers now at the base but that these facilities are hardly large enough to handle summer time business and are pushed to overflowing during the winter season.

Jackson proposed to the county commission that he build two new hangers at an estimated cost of \$70,000 and to then deed the structures to the county. The county in return for the hangers, would assume maintenance and insurance for the buildings and would grant Jackson a long term lease for using the hanger facilities. In addition, Jackson said, he would pay the county an annual rental based on the percentage of his gross business.

The commission referred the proposal to its aviation committee with instructions to report back to the board in the near future.

## Boy Scouts Will Tour The State

Scoutmaster Phelix A. Slonaker plans to take members of his Canal Point Boy Scout Troop 24 on a camping tour of the State.

The group expects to leave Tuesday, Aug. 2, in the Troop 24 bus and will be gone a week. Among the sites selected for overnight camping are Crystal Spring and the banks of the Suwannee River. Approximately 15 scouts are planning to make the trip.

## COMMITTEE REPORTS

President Alton W. Jones called on chairmen of standing committees for reports on club activities during the past month at the dinner meeting of the Canal Point Lions Club in the Community Hall Monday night. He also presided at a meeting of the board of directors following the regular meeting.

## County Aids Belle Glade Armory Fund

The county commission this week revised its tentative budget for the coming year to include a \$15,000 appropriation to help finance construction of a National Guard Armory at Belle Glade.

Under the National Guard building program, state and federal funds are set aside for armory construction based on what the Guard considers minimum requirements to provide for Guard activities. Any extras to the building plans must be financed from outside sources.

Lt. John Cromartie, commanding officer of Company E, 211th Inf., the Belle Glade Guard unit, said county funds were needed to extend both the facilities and capacity of the proposed armory.

Also aiding in the armory building program, according to Paul Rardin, commissioner from Canal Point, is the Belle Glade city council which has already made land available as a site for the structure and have also contributed toward grading and filling the property. In addition, he said, the town has budgeted \$15,000 it is coming budget to help finance the armory. State and federal agencies have made \$150,000 available for the building program.

Rardin won commission support for revising the county budget to include the armory account. The board transferred money from the Glades park fund into the armory account and also took \$6,000 from funds the county has available for matching federal projects.

Lt. Cromartie said the Guard unit has been housed at the American Legion home and that at least 90 percent of the Legionnaires were in favor of the new armory. In fact, the Legion has been adamant about renewing the Guard's lease on the Legion Home.

## Looking For 6,000,000 In State By 1970

Florida is expected to have a population of over four million in 1960, and more than six million by 1970. This was the prediction given by Dr. A. J. Brumbaugh, director of research being made by the Council for the Study of Higher Education in Florida.

Dr. Brumbaugh, who gave preliminary figures of the research project to the board, announced the survey is not complete and definite conclusions cannot be determined as yet. He announced there had been no change in an earlier estimate of a college enrollment which set a figure of 106,000 students by 1970. There were 34,000 in 1954.

The report is expected to be completed by next March and will be published by the University of Florida Press. Secretary Broward Culpepper said \$40,000 already had been spent on the project and an additional \$20,000 will be needed to complete the work.

J. Lewis "Pappa" Hall, former sports great from the University of Florida, is back at his alma mater as assistant football and track coach. He'll also study for an additional law degree.

## Vacation Bible School For Pahokey Baptists

Members of the Pahokey First Baptist Woman's Missionary Union at a program and business meeting at the church Monday afternoon voted to sponsor a Vacation Bible School at the church for their community mission project for August. The hours and other details of the operation of the school will be announced later.

A program, "All Roads Lead to London," dealing with the Baptist World Alliance being held in London, England, this month, was presented by the Lucy Jones Circle, with Mrs. Joe Thompson and Mrs. F. G. Gillis giving talks on the subject.

Mrs. Gillis, WMS president, presided at the business session.

## Glades Ramblers Is New Music Group

Kenneth (Smiley) Williamson of Canal Point, Pahokey High School sophomore, has joined a musical group known as the Everglades Ramblers made up of four guitarists and a bass fiddle player. The four other members were formerly with the Belle Glade FFA Band.

The Everglades Ramblers started their activities last week by winning first place in Malcolm Millar's talent show at the Hugo Theatre in Belle Glade Thursday night. The group appeared with Art Davis and his band on TV-WDBO, Orlando, Saturday at 5:30 p. m. and were guest artists on the talent show at the Prince Theatre in Pahokey on Tuesday night of this week.

Bob Dillow, director and manager of the quintet, and Billy Cowart pick away at Hawaiian steel guitars while Dean Alford wows his audience with a homemade bass fiddle that looks like it is made out of a wash tub, a broom handle and some pieces of wire.

## City Accepts Pure Oil Gasoline Bid

The Pahokey City Council in regular session Monday night voted to accept the bid of Shaw Brothers Oil Company to furnish 10,000 gallons of gasoline for use by the city's motorized equipment.

The group also voted to install a new 550-gallon tank and a new registering pump for dispensing the gasoline.

Absent from the meeting was Loren W. Meredith, president of the Council, who is spending the summer with his family at Rock Hill, Md., where he is engaged in the vegetable produce deal in that area.

## Potluck Supper Is Enjoyed By Baptists

More than 50 persons attended a potluck supper and fellowship social meeting held by the adult Baptist Sunday School in the Community Hall Tuesday night.

R. M. Worley showed colored slides of scenes of Costa Rica made by him while a resident of that country. Mrs. Annie Jones, president of the Adult Ladies Class, was in charge of arrangements for the social.

## Band Program For Summer Closes

The eighth annual Summer Band Program at the Pahokey School will end this Friday, July 29, after six weeks of successful operation, according to Robert O. Lampi, program director.

This year '74 children registered for participation in the program which is sponsored jointly by the Palm Beach County Board of Public Instruction and the State Department of Education. There was, an average daily attendance of 33 children which Mr. Lampi considers very good with so many of the pupils absent from the community part of the time while on vacation.

Of the 29 beginners who received training in the program the director believes 10 should be ready to perform as a regular member of the Pahokey High School Band before the opening of the football season and the remaining 19 are expected to be ready to join the band as a playing member before the football season ends. There are still four school-owned instruments, two sousaphones and two bassoons, that need to be put into use before the season opens, according to the director.

During the recess period on Tuesday and Wednesday mornings Bandmaster Lampi entertained the various groups of his students with Coke parties and congratulated them on the progress they have made in the summer program.

## Tag Monies To Be Used For Highways

ORLANDO—The Florida Highway Users Conference said last week they have endorsements from more than 300 organizations in the campaign to earmark unpledged state auto tag revenue solely for highway improvements.

About 50 delegates representing truckers, motor courts, motor clubs, chambers of commerce and other interests met to also adopt a resolution asking state officials to compare Florida's traffic laws with a suggested uniform national traffic code.

Marvin Holloway of the AAA Tampa Motor Club was named chairman of the committee to press state officials to make the comparison. S. O. Chase of Sanford, president of the Growers and Shippers League, was elected chairman of the Highway Users Conference.

Harold Colee, executive vice president of the Florida State Chamber of Commerce, was elected vice chairman, and J. Pendleton Gaines, executive vice president of the Florida Motor Court Association, was named secretary.

Pan American World Airways recently reached an all-time high in transportation of passengers across the Atlantic when 14,760 persons were flown from the U. S. to Europe during the month of June.

First Lt. John Conroy, hero of Operation Boomerang and member of the Air National Guard, was the first man to fly from Los Angeles to New York and return between sunrise and sunset of the same day.

### Cinematic Chatter

By Malcolm Millar

Hello everybody! When the late William S. Hart, one of the first of the early Hollywood cowboy heroes, told him he was wasting his time on "drawing room roles," Randolph Scott decided to try the wide open spaces. He has been doing Westerns ever since. Scott was born in Virginia and received his early education in private schools. He attended Georgie Tech and U. of North Carolina, from which he graduated. A yearning for the stage guided his steps to California, where he joined the Pasadena Community Players, put in two years of intensive work, and then landed a film role. Along with romantic leads in such films as "Roberta," "My Favorite Wife" and "China Sky," Scott played in Westerns like "Wild Horse Mesa," "The Thundering Herd," "Belle Starr," "Virginia City" and "Belle of the Yukon." It was at this point in his career that he had to decide whether to continue as a romantic male star or switch completely to outdoor action drama. The advice of William S. Hart was decisive. As a slow-speaking cowboy hero, somewhat reminiscent of the late great William S. Hart himself, Scott remains among the first ten of Hollywood's most popular stars. See you at the movies—Mal.

Next time you entertain, have a patio party. It's the coolest way to eat. Easy, too, when you use the short-cut recipes developed in the test kitchens of American Can Company.

One of the most famous hosteleries in the state is the gracious Clewiston Inn, owned and operated by the U. S. Sugar Corporation.

Florida's chemical industry had the second largest growth in the nation last year with over \$235 million invested in new plant facilities throughout the state.

### Family Reunion Is Held For Newly Weds

Mr. and Mrs. Bennie Franklin Sims, newlyweds who were married at Hammond, Ind., on July 9, were honored upon their return to Pahokee from the wedding trip at a barbecue dinner and family reunion given by relatives and friends at the Pahokee City Park. Mrs. Sims, the former Rita Fandel, is physical education director for girls at Pahokee High School. The couple are making their home in the Pennington Apartment on Carissa Drive, Pahokee.

Those attending the reunion were Mr. and Mrs. James Sims and Mr. and Mrs. Roy Pope and family of Orlando, Mr. and Mrs. Russell Sims and daughter of West Palm Beach, Mr. and Mrs. J. H. Simmons of Tampa, Mr. and Mrs. B. C. Sims and family, Mr. and Mrs. Bill Myers, Mr. and Mrs. Bill Johnson and family, Mr. and Mrs. A. M. Sims and family, and Mr. and Mrs. W. P. Pope, all of Canal Point, Mr. and Mrs. J. B. Snyder and family, Mr. and Mrs. C. E. Bennett and Mr. and Mrs. J. W. Spivey, all of Pahokee.

### Mrs. Lewis Friend Is Band Parents Head

Mrs. Lewis Friend was re-elected president of the Pahokee Band Parents Association at a special meeting held at her home Tuesday night.

The group made plans for soliciting ads for the Pahokee High School Blue Devil 1955 football programs. Mrs. R. D. Hardaway was named chairman in charge of this project which will get under way in the near future. It was announced that Sept. 10 is the printer's deadline for receiving the ads. Proceeds from the sale of program and its advertising space will go to the PHS Band.

Also discussed at the meeting were tentative plans for setting up a fund for the purchase of new uniforms for band members.

From where I sit... by Joe Marsh

### Modern Science Finally Catches Up With Grandpa

I got put in my place the other night. Deserved it, too. My father-in-law said we were due for bad weather. "Birds are flying low," he reported. "That means a storm."

I started to josh with the old gentleman about being superstitious. Then my nephew Jim, on vacation from college, pipes up. "Granddad's right," he says.

"At least, that's what they say at school," Jim goes on. "The heavy air you get before a storm forces insects down low—so high-flying birds have to swoop along the ground if they want to eat."

From where I sit, there's probably sound reasoning back of most old sayings... back of anything people have learned to believe in. Take the idea of a stitch in time saving nine—sparring rods and spilling children—of drinking hot milk, or a refreshing glass of beer, at bedtime. You may not hold with any of these beliefs yourself... but it's not smart to give them the "bird."

Joe Marsh

## New Pastor Tells Rotarians Of Need For Disarmament

Addressing the Pahokee Rotary Club at the Thursday luncheon meeting last week, the Rev. A. D. Houghlin, new pastor of the Pahokee First Methodist Church, set forth the urgent need for disarmament among the nations of the world and the encouraging signs that point in that direction.

Affirming that armament races have always led to war, that modern weapons of war are costly in using up of natural resources, the speaker said, "We have come to live in an age of total peril. Either we will become one or none. Since the explosion of the last hydrogen bomb, and now with the threat of the cobalt bomb, there is no longer any hiding place for anyone. The possibility of nuclear warfare has set the world in a new perspective, necessitating the sharing of information, arbitration and peace conferences among the nations to seek a way of survival of civilization."

He quoted three world leaders whose words suggested that it is not only urgent but imperative that men seek a means for total disarmament, outlawing all weapons of war. President Dwight Eisenhower in his inaugural address gave warning, "Science seems ready to confer upon us its final gift, the power to erase human life from the earth. Before the United Nations Assembly Secretary of State Dulles said, "There is no problem which compares with the universal problem of saving the human race from extinction." While serving as premier of the Soviet Union Malenkov stated, "A new world war under contemporary conditions means the death of civilization."

The speaker paid high tribute to the United Nations for bringing about world unity and understanding among all peoples through its agencies such as UNICEF, UNRA, UNRRA, UNRWARN and UNESCO. He pointed out that the UN is an attempt, the first step ever taken to set up a form of government of the people, by the people and for the people of the world—a dream of the centuries come true.

—a parliament of men for the promotion of world law, world economic development, world political settlements, peace and international cooperation and security.

Asserting peace must be based upon religious, ideals and convictions that are basic in human thought, the speaker said that in order to insure peace disarmament must become universal, that law of tooth and claw must give way to arbitration, cooperation and good will as set forth by the prophets centuries ago when they predicted there would come a day when men would "beat their swords into plow shares, nor learn war anymore—when they shall not hurt nor destroy in all his holy mountain—when the knowledge of the Lord shall cover the earth as the waters cover the seas."

gave high praise to the world leaders for their efforts to reach understanding and peace at the Summit meeting in Geneva but was of the opinion true peace can evolve only from religious idealism, from the prayers of God's people backed by the World Council of Churches and the Department of Peace, prophesized by the ancient prophets of Israel and now headed by the Prince of Peace, Himself.

The speaker was introduced by B. Elliott. President Bascom A. Belcher announced three applications for new membership. V. L.

Geiger presented to the club an up-to-date roster of club membership.

Visitors were Lt. Col. Frank J. Sakser and Charlie Baker of West Palm Beach, K. W. Harris, Thomas Bregger and Nat Taylor of Belle Glade and Wayne Elliott.

## Personal Items

Mrs. Charles Sears, and son, Bruce, are visiting her brother and sister-in-law, T-Sgt. and Mrs. James Barnes, in Tampa this week.

Mrs. H. M. McIntosh has returned home from a West Palm Beach Hospital where she recently underwent minor surgery.

Mrs. Clyde Alley is employed as receptionist and secretary in Dr. E. J. Graham's offices, replacing Mrs. Nan Cunningham who has gone to West Palm Beach.

Mrs. B. Elliott is a patient at a West Palm Beach Hospital this week.

Mr. and Mrs. M. D. Geiger had as guests Saturday night Mr. and Mrs. Richard Cole of Fort Lauderdale.

Mrs. Maggie Gant returned to her home in Pahokee today after having been in the Good Samaritan Hospital in West Palm Beach for over a week. Mrs. Gant is convalescing after an operation there and is getting along nicely.

Mr. and Mrs. A. C. Phillips had as guests last week her sisters, Mrs. Vesta Calvert of Miami, Mrs. Jennie Chenault and Mrs. A. E. Edge and son, David, of Venice. They were accompanied back to Venice by Mrs. Phillips who will visit there for a few days.

## Milk Price Change Is Given Study

MIAMI — The Florida Milk Commission has started a series of hearings at which it will explore the question of changing prices of milk. Dairy farmers from Dade, Broward and Monroe Counties are testifying.

Opening day hearings indicated that pasture land values will be a factor in determining the return dairymen will get on their investments. Most of the producers said their land was worth far more than the value carried on their books. The law which created the Milk Commission stated a "reasonable rental" could be considered on land as one of the costs of production.

A new record for barracuda was set in the statewide Rudy Schaefer Fishing Contest by Fred Schultz of Florida City. His 'cuda weighed 52½ pounds, topping the former record by better than 2 pounds.

## 44 Honeymoons Are Enjoyed By Couple

FT. MYERS — A new record of some kind or another has been established by Mr. and Mrs. Harry Peterson of North Fort Myers.

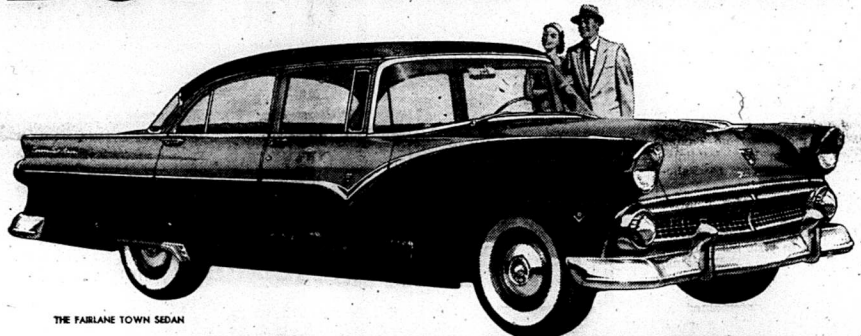

This record, envied by many married couples but equaled by few, is the fact that Mr. and Mrs. Peterson have taken a honeymoon trip every year for the past forty-four years. This year, as in many past years, they made it a Florida honeymoon by reserving a honeymoon cottage at Ponce de Leon Springs, Florida, attraction near Deland.

Married in Rockford, Ill., July 12, 1911, the Petersons came to Florida in 1919 where they have resided most of the time since. Mr. Peterson is a former grocery store owner, postmaster and real estate developer.

If your fine hardwood floor becomes gouged, apply wood putty so that it is slightly higher than the wood's surface. When the putty hardens, sandpaper it flush with the floor. Finish with thinned shellac.

Miami Beach will be the site of the next convention of the American Optometric Association with the Florida Optometric Association serving as host.

## PERSONAL NEWS NOTES

Mrs. Joel F. Moody has arrived in Pahokee from West Palm Beach to make her home with her parents, Mr. and Mrs. Clarence Pearce, while her husband, who recently joined the U. S. Navy, is taking his basic training at the Great Lakes Naval Station.

Mr. and Mrs. Clarence Pearce have as guests this week her sister-in-law, Mrs. James L. Johnson and children, Marie and Ray, of Wauchula. They also had as guests last week Mr. Pearce's sister-in-law, Mrs. Ruth Brewer of Fort Lauderdale.

Mrs. Sheldon Campbell is spending two weeks in Sarasota while her eleven-year-old son, Ed, is recuperating from throat surgery at a Sarasota hospital. Mrs. Campbell's mother, Mrs. Grace McClenithan, a former Pahokee resident now living in Sarasota, is also scheduled to undergo surgery at the same hospital this week.

Mr. and Mrs. W. C. Darden and daughter, Joan, are spending a week with her parents, Mr. and Mrs. Dan Campbell, at Sarasota. While there they plan to attend the wedding of Miss Barbara Legg and Mrs. Darden's nephew, Billy Gill, which will take place at a Baptist Church in that city this Friday evening.

Mr. and Mrs. P. A. Sizemore, who returned Tuesday from a visit with relatives in Georgia, are visitors in Fort Myers this week.

Mrs. L. M. Collins has returned from a visit with her parents, Mr. and Mrs. H. E. Smith and family in Orlando. Her daughter, Corinne, who accompanied her there, remained for an extended visit with her grandparents.

Mr. and Mrs. Homer Barnes were accompanied to Tampa Sunday by their daughter, Mrs. Charles Sears, and son, Bruce, who remained for a two-weeks' visit with her brother, T-Sgt. James Barnes and family. They were also accompanied by their aunt, Mrs. T. J. Faulkner, of Perry, who has been their house guest. They motored from Tampa to Perry to take Mrs. Faulkner home before returning to Pahokee.

FHP Trooper and Mrs. Charles McWilliams are spending a week's vacation in Fort Myers and plan also to visit his parents, Mr. and Mrs. Charles McWilliams, II, at Mulberry before returning home.

Mrs. Otis Allen entertained at her home Saturday with a party for her daughter, Martha Jo, who was celebrating her seventh birthday anniversary. The hostess was assisted with the serving of refreshments to the 20 guests by Mrs. Thomas Dickson, Mrs. Charles Dickson and Mrs. Ollavene Pierce.

Mr. and Mrs. Wendell Harris and children returned Tuesday night from a visit with her parents, Mr. and Mrs. Homer J. Clause, former Pahokee residents now living at Lake Kerr near Salt Springs.

Mrs. E. S. Parnell and son, Gene, have returned home after spending a month visiting Mr. and Mrs. W. B. Lykes and daughter, Sandra, at St. Augustine and with Mrs. Parnell's parents, Mr. and Mrs. D. H. Sherman, at Winter Haven. Mrs. Parnell reports her mother, who has been ill, is feeling better.

Mr. and Mrs. L. L. Shirley and daughter, Miss Peggy Lynn Shirley, spent the weekend at Palm Beach Shores where they were guests of Mr. and Mrs. C. L. Shirley who have leased an apartment there at the La Riviera for the summer.

Mr. and Mrs. R. T. Smith plan to leave next week for a visit with his mother, Mrs. Lula Smith at Douglas, Ga.

Mr. and Mrs. Sam Berry have as guests this week her mother, Mrs. R. E. Cowart, and Mrs. Bluetta Sudheimer of Greenacres.

Mrs. Lola Ryals expects to have as guests within the next few days her son, Cpl. O. G. Ryals, who will spend a month's leave from the Army with his mother while being transferred from Fort Carson, Colo., to overseas duty in

Korea; also her son-in-law and daughter, Mr. and Mrs. Ted Beck of Fort Mead, Md.

Miss Jane Ryals has returned from a visit in Baltimore and Fort Mead, Md., where she was the guest of her brother-in-law and sister, Mr. and Mrs. Ted Beck. Dr. and Mrs. W. C. Young and family will leave Monday for Aberdeen, Md., where they will spend several days visiting her relatives. Later they will visit his father in Chiefland, Fla. His office will be closed as usual during the entire month of August.

Sgt. Butch Heldt is back on the job with the crash squadron after a seven day leave-vacation on which he entertained relatives from Fort Dodge, Iowa.

Miss Kay Seckinger of Glennville, Ga., is spending several days with Mr. and Mrs. Paul Rardin in Canal Point.

Miss Audrey Meade of Canal Point is enrolled at Bell Isles Business College in West Palm Beach. This fall she will enter the West Palm Beach School of Modeling.

Mr. and Mrs. John Bolton are back from their vacation and their drug store is open for business. They returned over the week end from a vacation spent in South Carolina and Clayton, Ga.

Mrs. C. T. Santee is the guest of her son and daughter-in-law, Mr. and Mrs. John Ogle, in Gainesville this week.

Miss Mary Ellen Sims, daughter of Mr. and Mrs. B. C. Sims of Canal Point, recently completed a training course for beauticians at the Palm Beach Vocational School in West Palm Beach, and is now working at Mrs. Violet Hitchcock's Friendly Beauty Shop in Pahokee.

### Important thought to keep in mind:

When it's safe to pass, make sure you've got the gasoline that lets you enjoy full working octane performance. Stop in at your Gulf station and ask the man for New Super-Refined Gulf NO-NOX. And make sure your engine is protected with New Gulfpride H.D. Select, the motor oil that controls carbon,

## New Gulf No-Nox Gasoline delivers not just the highest octane but full working octane because it's super-refined to burn clean

See what a difference Gulf super-refining makes. Gulf takes out the "dirty-burning tail-end" of gasoline—at the refinery—to bring you new clean-burning Gulf NO-NOX.

NO GASOLINE, no matter how high the octane, will let your engine deliver full power performance—mile after mile—unless it burns clean. That's why it pays to always use new NO-NOX. Gulf NO-NOX is the clean-burning fuel that gives you full working octane day in, day out. In addition, you get...

- more complete engine protection
- extra gas mileage in short-trip, stop-and-go driving
- freedom from vapor-lock, engine stumbling and stalling
- no knock, no pre-ignition—even in today's high-compression engines

Now! For the ultimate in working octane performance, always use Gulf's super-refined gas-oil team... New Gulf No-Nox Gasoline and New Gulfpride H.D. Select Motor Oil

The only motor oil super-refined by the Alchor Process for modern high-compression engines.

- Controls carbon
- Combats corrosive acids, rust and deposits

- Assures lower oil consumption
- Provides the toughest protective film ever developed in a motor oil

Available in 3 grades—SAE 10W, SAE 20/20W, SAE 30.

*Uncle Sam made the bonds you own  
an even better bargain!*

# Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 . . . a \$37.50 Bond will be worth \$67.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25c a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,850.70 . . . and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

**If you want to be paid  
your interest as current income—  
invest in 3% Series H**

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

## Now even better! Invest more in Savings Bonds!

### Miss Marie Sapp To Wed Harold Godwin

Plans have been announced for the wedding of Miss Marie Sapp of Canal Point and Harold Godwin of Ocala which will be an event at the Canal Point Baptist Church Sunday, July 31, at 3:30 p. m., with the Rev. Joe G. Clements, pastor, officiating at the double ring ceremony.

Miss Sapp has chosen Miss Johnnie Lowery of Pelican Lake to serve as maid of honor and her only attendant. James A. Steel of Ocala will be Mr. Godwin's best man. A. C. Lisk of Ocala and Ronal Wright will serve as ushers.

The program of nuptial music preceding the ceremony will be presented by Miss Dorothy Chastain, pianist, and Mrs. Ronal Wright, vocalist.

The ceremony will be followed by a reception at Cypress Lodge, Port Mayaca, with Mrs. W. S. Evans acting as hostess.

All friends of the couple are invited to both the wedding and reception.

The bride-elect was honored at a tea and shower held at the home of Mrs. M. D. Geiger in Canal Point, Wednesday of last week with Mrs. J. S. Chastain, Mrs. Charles Maxson, Mrs. Paul Rardin, Mrs. Ronal Wright and Mrs. A. W. Ammons assisting Mrs. Geiger as co-hostesses.

The table, covered with a lace cloth and lighted by pink candles in crystal holders, had an arrangement of pink roses at one end and a large punchbowl at the other. Miss Billie Nell Stokes was in charge of the bride's book, Miss Beth Smith presided at the punch bowl and Mrs. Freddie Brock assisted the honoree with the display of the gifts.

On Saturday night Mrs. Arnold Scruggs and Mrs. W. N. Veal will entertain the bridal party at Mrs. Scruggs' home immediately following the rehearsal for the wedding at the church.

### Christian Science Group Of Canal Point

How spiritual understanding of God as divine Love assures man of wise guidance and unlimited inspiration will be brought out at Christian Science services this Sunday.

The Lesson-Sermon entitled "Love" will include the following passage from the Biblical account of the guidance the children of Israel received in their flight from Egypt: "And the Lord went before them by day in a pillar of a cloud, to lead them the way; and by night in a pillar of fire, to give them light; to go by day and night: He took not away the pillar of the cloud by day, nor the pillar of fire by night, from before the people" (Exodus 13: 21, 22).

Among the correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy is the following (454: 18-21): "Love inspires, illumines, designates, and leads the way. Right motives give pinions to thought, and strength and freedom to speech and action."

The Golden Text is from I John (4:8): "He that loveth not knoweth not God... for God is love."

#### CARD OF THANKS

We would like to thank all the kind folks who so graciously comforted us during the recent loss of our loved one, J. W. Durrance. All the cards, flowers, prayers, and many other acts of kindness were greatly appreciated. May God bless each of you.

Mrs. Ellen Durrance  
H. S., R. D., Bob and James Durrance and families.

MISS MARIE SAPP

### Capt. McLeod And Family Visit Folks In Canal Point

Mr. and Mrs. R. M. Worley have as house guests their daughter, Mrs. D. G. McLeod and children, Ellen, Alice and Donnie, who recently returned to the United States after three years of residence in France while Capt. McLeod was assigned by the U. S. Army to overseas duty at a hospital in Bordeaux. He was recently transferred to Washington, D.

C., for a three-year residence assignment to the Walter Reid Hospital in that city. Mrs. McLeod and children plan to stay with her parents in Canal Point until their new home in Washington is ready for occupancy.

Mr. and Mrs. Worley also had as a guest over the weekend Senorita Ana Maria Paz of Turribia, Costa Rica, a friend with whom they became acquainted while residing in Costa Rica.

Ed Olsen underwent surgery at St. Mary's Hospital in West Palm Beach on Tuesday.

a castle in the air costs nothing  
—but you can't live in it!

**Make your dream house come true! It's easy  
—through Payroll Savings!**

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a house or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving *automatically*—nothing to worry about, nothing to do. And, best of all, the money saved out of your pay each week is automatically invested for you in U. S. Series E Savings Bonds. Because Savings Bonds earn solid interest—3% cumulative semiannually when held to maturity

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,348.95 cash. In 9 years, 8 months, you'll have \$7,217.20!

So don't let down payments get you down. Meet your needs for ready cash the way more than 8 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

\* \* \*

*If you want your interest on current income, ask your bank about Series H Bonds, which pay interest semi-annually by Treasury check.*

Choose your own savings goal

	If you want approximately		
	\$5,000	\$10,000	\$25,000
Each week for 5 years and 8 months, about.....	\$2.50	\$18.75	\$45.00
Each week for 10 years and 8 months, about.....	\$2.75	\$7.50	\$18.75

This chart shows only a few typical examples of savings goals and how quickly they can be reached through Payroll Savings. Remember, you can save whatever you wish, from a couple of dollars a payday up to as much as you want. The important thing is, start your Plan today!

## Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

A review of plans concerning the future of county roads which will reach across the Florida Sunshine Parkway was being planned this week.

The action was ordered by the county commission after hearing that the state turnpike authority was considering construction of a connection road between State Road 80 and Dillman Road that would eliminate grade separations at Dillman Road, Pioneer Road and probably Selby Road.

The commission some time ago asked the turnpike group to consider grade separations for five county roads not included in original plans and also construction of a cloverleaf interchange on U. S. 98 at Jupiter.

The turnpike board this week asked the county to help obtain right of way for the connecting link—a request that brought opposition from some members of the board.

Commissioners Roy Michael and Lake Lytal said they believed the county should take no action on the right of way at this time, or at least until the board determined the future status of the Selby Road crossing. Both Lytal and Michael said that without Selby Road, residents would have to travel four miles to get across the toll road—which was too far they said.

Commissioner Kenneth Foster said the board should go ahead and help get the right of way as the turnpike group had promised to consider the county's request for grade separations if there were any funds left from right of way acquisition. Cooperation by the commission, Foster said, would help save money on right of way acquisition.

The board finally agreed to help get the right of way but asked Commission Chairman Ben Sundy to arrange a meeting with the turnpike board for reviewing plans for the toll road through this section.

A resolution calling for a \$4 million bond issue to finance Palm Beach County road and bridge improvements was forwarded this week to Florida's new development commission—successor to the State I. I. Board.

The resolution was adopted by the county commission, and called for the bonds to be retired from the county's share of state gasoline taxes.

Included in the projects to be financed by the bond issue are several Glades road projects including improvement of Avenue E in Belle Glade, Muck City road, 8th St. in South Bay and Lake Front Drive in Canal Point.

The issue provides for Inland Waterway bridges at Boca Raton, Juno Beach and West Palm Beach and also sets aside money to be used for right of way for four-lane U. S. Highway One through Palm Beach County.

In other actions this week the commission:

### Bride's Shower For Mrs. Charles McCurdy

The home of Mr. and Mrs. Rupert Mock was the scene Wednesday afternoon of a bride's shower in compliment to Mrs. Charles McCurdy who before her marriage to Mr. McCurdy on July 16 was Judy Starling.

Assisting Mrs. Mock as hostesses were Mrs. Lewis Friend, Miss Kay Friend and Miss Jeanine Mock. Mrs. Sadie Barwick was in charge of the floral decorations which featured arrangements of pink hibiscus.

Mrs. McCurdy was also honored at a recent bride's shower at the home of Mr. and Mrs. L. L. Shirley. Serving as hostesses with Mrs. Shirley were Mrs. L. M. Collins, Mrs. Carney Wilder, Miss Peggy Lynn Shirley and Mrs. Charles Sears. Arrangements of pink and yellow hibiscus were used by the hostesses in the decorations.

Adopted the county's tentative budget after no resident appeared to be heard on the proposed expenditures.

Called for a public hearing for abandonment of right of way in Barcelona Gardens, Lake Worth subdivision. The hearing was asked by the City of Lake Worth.

Took under advisement, a request from the Animal Rescue League asking the county to help the League in establishing a new headquarters on Dillman Road. The League presently operates in West Palm Beach.

Heard a report that Florida had the second highest registration at the annual convention of the National Association of County Officials at Richmond, Va. Attending were Commissioners Ben Sundy, Paul Kardin and Kenneth Foster; Asst. County Auditor R. E. McKee and J. M. Blackburn, deputy circuit court clerk.

Heard that George Simon, Jacksonville, the county zoning advisor, would be here this week to conduct interviews in preparation for hiring a new county zoning director.

## Personal

The Upthegrove Quartet will be one of the groups on the program at Cracker Jim's all-night sing at the Bayfront Park auditorium in Miami Saturday night, Aug. 13.

Mrs. Judson Twitty, Sebring and daughter, Mrs. Glen Ubanks, of Albuquerque, N. M., were dinner guests of Mrs. Edna Barrett Monday.

Airman 3-c Gene Buchanan, who has been training for the security service of the U. S. Air Force at Kelley Field, San Antonio, Texas, for the past four months, is visiting his parents, Mr. and Mrs. W. K. Buchanan, in Canal Point for two weeks while being transferred to Syracuse University in New York where he will take some special courses in languages. He will report for his special training at Syracuse on Aug. 10.

Mrs. Steven Irla and son, Billy have returned to their home in West Palm Beach after spending two weeks with her aunt, Mrs. Edna Barrett, at Canal Point.

Mr. and Mrs. W. B. Meyers of Canal Point had as recent guests his son and daughter-in-law, Mr. and Mrs. Kenneth Myers of Maryville, Tenn., and her son-in-law and

daughter, Mr. and Mrs. John Simmons of Tampa.

Mrs. J. B. Snyder and daughter, Ann, left Tuesday to spend a week with her brother-in-law and sister, Mr. and Mrs. J. H. Simmons, in Tampa.

Mr. and Mrs. Osceola Upthegrove had as guests Sunday Mr. and Mrs. Joe Fife and Mr. and Mrs. Bert Fife of Miami, also members of the Miamians Quartet who participated in the Glades Singing Convention's fourth Sunday sing at the Church of God on Barfield Highway Sunday afternoon.

Mrs. A. R. Chastain is confined to her bed at her home in Canal Point while recuperating from an infection.

Kenneth Hitchcock and Al Prevaldo are spending a week at Lake Apopka fishing.

Mr. and Mrs. Robert O. Lampi and children will leave this Friday to spend a vacation with his brother-in-law and sister, Mr. and Mrs. R. Wells and family at Detroit, Mich., and with his parents, Mr. and Mrs. Charles Lampi at Eagle River, Mich. Enroute home they plan also to visit Mr. and Mrs. Jones Phillips, former Pahokee residents now living at Easley, S. C. They will return Aug. 21.

Mr. and Mrs. M. J. Sapp expect to have as guests Sunday Mr. and Mrs. O. F. Godwin, Mr. and Mrs. O. E. Godwin, Mr. and Mrs. A. C. Lisk and J. A. Steel, all of Ocala; Mr. and Mrs. Dave Frederick and Mr. and Mrs. Charlie Fales, all of Homestead, who are planning to attend the Sapp-Godwin nuptials in the Canal Point Baptist Church Sunday afternoon.
